GENERAL RELEASE

I recognize that by voluntarily participating in this tournament, I assume certain risks and that it is impractical and unfair for Tournament Angler Association, a California nonprofit corporation, or its officers, directors, members and agents, to be financially responsible for any person injuries or property damage I may incur in connection with my participation. Therefore, in consideration of permitting me to participate in this Tournament, I hereby release Tournament Angler Association, it's officers, directors, members and agents, of and from any and all claims, actions, or causes of actions arising under laws of the United States, or any state thereof, or under the laws of Mexico, which I or my heirs or assigns may hereafter have by reason of any injury or damage I may suffer, directly or indirectly, whether by reason of negligence or otherwise, during and throughout my participation in this Tournament. I further assume all risks which may be involved in my participation, particularly hazards due to the conditions of the Mexican boats chartered by the Tournament for the purpose and weather conditions, and I fully understand that at any time during the Tournament I may elect not to participate when I think boat or weather conditions are too hazardous for my safety, to the same extent that I would do if I were chartering the boat for my own personal use.
